

# COMPANY PROFILE

---

**PT. Inparts Prima Sukses**

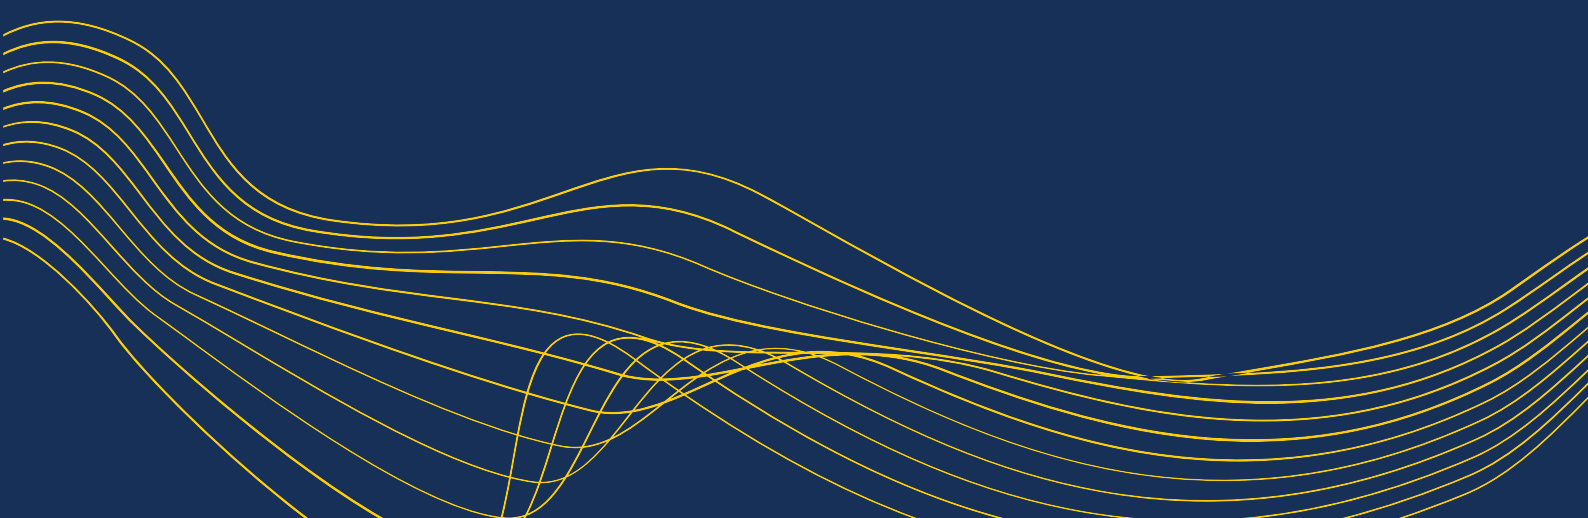

A series of thin, wavy lines in orange and yellow flow across the bottom half of the page, mirroring the design in the upper section.

# About Our Company

**PT Inparts Prima Sukses** is an Indonesian-based company committed to providing the highest quality products, services, and solutions to customers throughout Indonesia. We place great emphasis on increasing customer satisfaction to enhance their productivity and efficiency. With the support of high-quality brands and robust products, we believe we can fulfill all customer needs, not only in terms of product supply but also in sales after-service.

Delivering the best service is our key to becoming one of the leading companies in the supply chain business. Our reliable technical support service extends beyond sales support, encompassing a wide range of services, including pre-sales consultation, equipment inspection, equipment maintenance and customer training.

# Vission & Mision

## • Vision

As a leading company in the supply chain business and services, we are committed to setting the standard for excellence in our industry.

As the premier partner in providing solutions to our customers, we are dedicated to delivering excellence and innovation in all we do.

As a trusted company, we support a diverse range of customers from the coal and mineral mining, oil and gas, and marine industries, offering reliable and tailored solutions for each sector.

## • Mission

We are committed to providing excellent service and value-added solutions to all our customers and partners, positioning ourselves as their primary choice.

We are dedicated to consistently delivering high-quality products and services that meet the evolving needs of our customers.

We are committed to enhancing quality in every aspect of our sustainable business practices, delivering benefits to both our customers and shareholders.
